

# Shipping with Fedex

is now integrated with Fedex, the world's largest fulfilment and logistics networks. customers now have access to Fedex shipping rates right from their workspace.

Setting up Fedex with your saves you time and money. You won't need to configure any shipping rates or setup weight slabs (for example, 0-1 lb. = \$0.99, 1-2 lb. = \$1.49, etc). The shipping rate is automatically integrated into your shopping cart during checkout, based on the weight of the items and the zip/postal code entered. This shipping fee includes delivery fees and pickup fees.

## Before you can turn on Fedex for your :

There are several steps you should ensure that you do before you can begin with Fedex integration.

### 1) Get a Fedex account:

If you don't have one already, first you will need to get a merchant account with Fedex.

Contact Fedex or [visit their website](#) to create your account.

### 2) Notify :

Once you have an account, you will need to contact by emailing , to get Fedex activated on your .

### 3) Set up your products

Fedex is a weight-based system, therefore all products **need to have a weight value** to correctly calculate the shipping cost. You should **ensure that each of your products has a weight value** entered, AND that the **"Charge shipping" option is set to "Yes"** for each product. You can find these product fields within the "Add Variation" section of the product page.

The screenshot shows the 'ADD VARIATION' form with the following fields and values:

- ADD VARIATION** (button)
- REORDER VARIATIONS** (Manually)
- TITLE \***: Blue Sky
- SKU**: 21241
- SELLING PRICE ( INR ) \***: 399
- WEIGHT ( KGS )**: 0.25
- COMPARE AT PRICE ( INR )**: 0.00
- FULFILLED BY**: Default Fulfiller
- CHARGE SHIPPING?**: Yes
- INVENTORY**: Don't track what's in stock.
- SAVE VARIATION** (button) | **Cancel** (button)

## Step-by-step guide to setting up Fedex in your :

1. Login to your Workspace
2. Click on **Settings** from the left menu.
3. Under **Settings**, select the **Shipping** tab.
4. Choose **Use Fedex** as your shipping method, and enter your **account number**, **meter number**, **password**, and **API key** from your Fedex account.

The screenshot displays the Shopify admin interface. On the left, a dark sidebar contains navigation links: DASHBOARD, WEBSITE, PRODUCTS, COLLECTIONS, ORDERS, CUSTOMERS, MARKETING, THEMES, SETTINGS (circled in red), and a gear icon. Below 'SETTINGS' are sub-links: GENERAL, REGIONS AND TAXES, CHECKOUT AND PAYMENTS, SHIPPING (circled in red), POLICIES, WEB HOOKS, and UPDATE DOMAIN NAME. The main content area is titled 'SHIPPING' and features two radio button options: 'Use price and/or weight based shipping rates' (unselected) and 'Use FedEx' (selected and circled in red). Below these options, a text prompt reads 'Please provide your Fedex account details.' This is followed by four input fields: 'ACCOUNT NO', 'METER NO', 'PASSWORD' (containing '5LW1iG6o6j1rUPZhojP'), and 'API KEY' (containing '?RqW1RxP'). An orange 'SAVE' button is positioned below the fields. At the bottom, it states 'Your current pickup address is: Markham , Ontario , Canada , L3R 5M1' with a red 'CHANGE' link.

Note: If you do not see "Use FedEx" as an option in your Shipping module, please contact [support](#) to have it turned on for your site.

5. Enter your **pickup address** for Fedex shipments.

## How to ship and track your orders with Fedex:

Once your [store](#) is setup with Fedex, you can get your products out to your customers quickly, with just a few clicks.

1. After a customer places an order, select "**Fulfill Order**" from the Order Details page.

The screenshot displays a user interface for managing orders. On the left is a dark sidebar menu with options: DASHBOARD, WEBSITE, PRODUCTS, COLLECTIONS, **ORDERS** (highlighted), CUSTOMERS, MARKETING, THEMES, SERVICES, SETTINGS, and REPORTS. The top navigation bar shows 'ORDER #1028' circled in red, along with links for 'ATTACH A NOTE', 'EMAIL BUYER', 'PRINT', and an 'Open' dropdown menu. The main content area is divided into several sections:

- PAYMENT METHOD:** PAYPAL (WEBSITE PAYMENTS STANDARD). Status: PAYMENT RECEIVED. Note: YOU HAVE BEEN PAID FOR THIS ORDER.
- SHIPPING METHOD:** FEDEX\_GROUND. Status: YOU NEED TO SHIP 2 ITEMS. A red 'FULFILL ORDER' button is visible.

- SPECIAL INSTRUCTIONS:** Contains the text 'test'.
- BILLING ADDRESS:** Includes fields for Name, Address, City, State, and Zip.

A table at the bottom right lists the products in the order:

| PRODUCT                         | PRICE   | QUANTITY | TOTAL   |
|---------------------------------|---------|----------|---------|
| Brand: [blurred]                | \$39.99 | 1        | \$39.99 |
| Brand: [blurred]                | \$9.99  | 1        | \$9.99  |
| Subtotal: \$49.98               |         |          |         |
| Shipping (FEDEX_GROUND) \$16.78 |         |          |         |
| Taxes: \$6.50                   |         |          |         |
| <b>Total: \$73.26</b>           |         |          |         |

2. Clicking "**Fulfill Order**" will generate a waybill number, and Fedex will be automatically notified.
3. Once they are notified, Fedex will arrange for your parcel to be picked up and delivered to the customer, as quickly as possible.
4. After your product is on its way, you can track it right from the **Order Details** page in your Workspace to see if it's in transit or delivered.
