

Re-Ordering Products within a Collection

You may want to order the products in your collection in a specific way. For example, you may wish to showcase specific products on the top of the page, such as "New Arrivals" or sale items. To re-order your products, you will need to edit your collection.

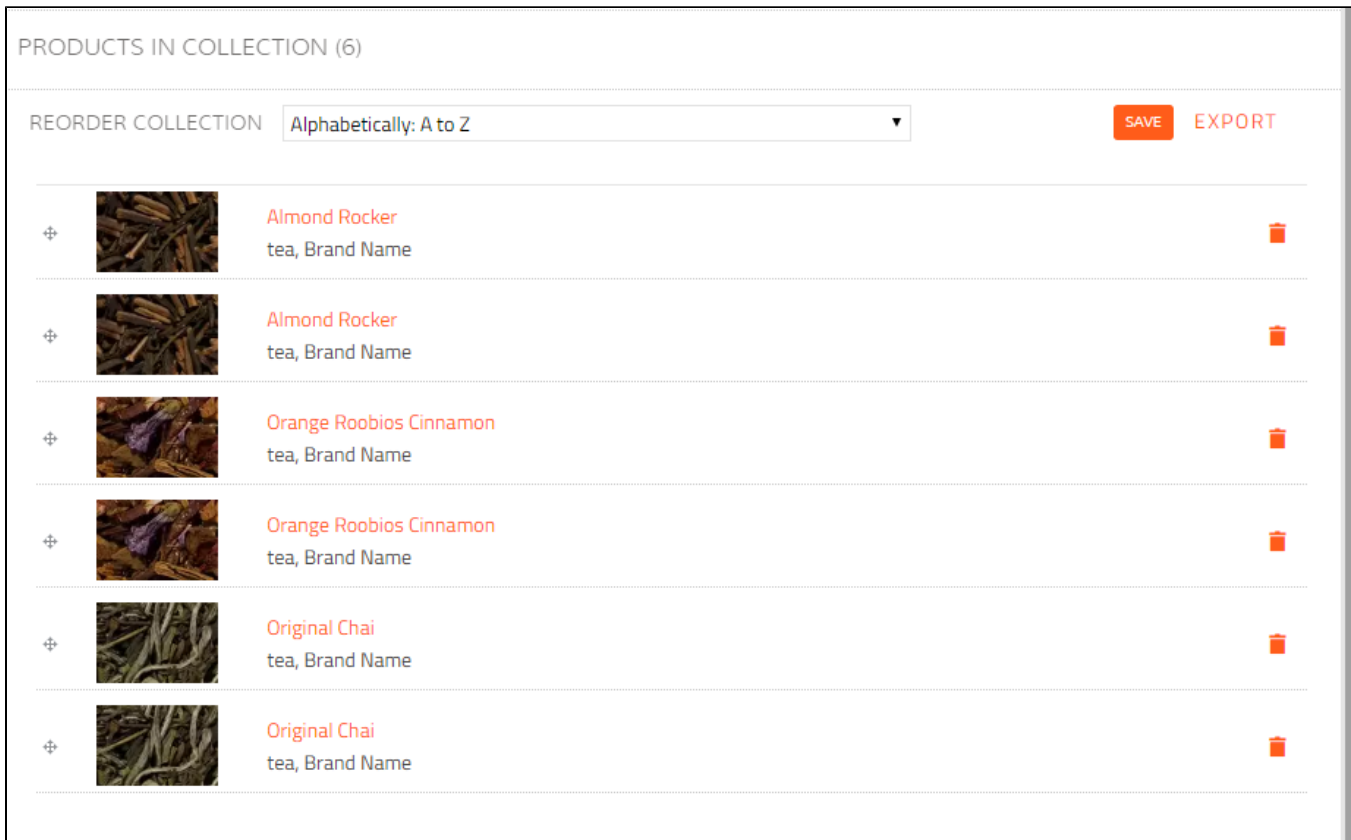

To View Your Collection:

1. Login to your Workspace
2. Click on **Collections** from the left menu.
3. Click the name of the collection you wish to edit.

NAME	TYPE	PRODUCTS IN COLLECTION	ACTIONS
Black Teas	Smart Collection	2	Edit Delete
Featured.	Custom Collection	0	Edit Delete
Cinnamon Tea	Smart Collection	2	Edit Delete
Chai	Smart Collection	2	Edit Delete
Shop	Custom Collection	6	Edit Delete

4. The collection list shows all the products in a collection, in the order your customers will see them on the collection page.

Choose the order for your collection and click **Save**.

Re-Ordering A Custom Collection

With Custom Collections, there are two ways to order your products:

- 1) You can use the pull-down menu to select another filter to reorder the items in the collection (see above), OR
- 2) You can manually reorder the products by dragging them up or down in the list.
